# Hot Docs: Vision 2015

July 23, 2008

The Intelligence Community has released its new report "Vision 2015: A Globally Networked and Integrated Intelligence Enterprise."

According to the excerpt "Vision 2015 expands upon the notion of an Intelligence Enterprise, first introduced in the National Intelligence Strategy and later in the 100 and 500 Day Plans. It charts a new path forward for a globally networked and integrated Intelligence Enterprise for the 21st century, based on the principles of integration, collaboration, and innovation."
